Helen Webster
The Band of the Surrey Yeomanry

Dear Helen,

I just wanted to write on behalf of the Dean and Chapter to say a very big thank you both to you and the members of the Band of the Surrey Yeomanry for entertaining us with such a lovely and indeed lively performance today.

I thought the concert was enjoyed by wonderfully large numbers in College Garden who appeared to enjoy greatly what they were hearing.

We enjoyed Moonlight Serenade particularly, but also thought the guest conductor spot and the solos were great !

I will send on a cheque towards your expenses next week if I may – I just need to process it through accounts.

I do hope you will be have enjoyed playing in our season this year and that you might wish to come back and play for us again next year.

Thank you so much for taking part.

With kind regards.

Yours sincerely,

Matthew Arnoldi
